2. What will your field of study be in college? Or your future career path?

Essay (Minimum of 600 words)

On a separate sheet of paper, please take the time to prepare a well-developed, well written, grammatically correct essay. While GPA, ACT/SAT scores, financial need, etc., are important selection criteria, a good essay sets one student apart from others who are equally qualified. The essay is to be a minimum of 600 words or 2 pages. The objective is to give you an opportunity to tell us about another dimension of you not previously revealed. There is no “correct” way to develop this essay. By writing about something that matters to you, you’ll convey a sense of yourself that will provide invaluable information and insight during the evaluation process. Please respond to the following questions within your essay.

1. How has golf impacted your life and what benefits will golf provide you in your future endeavors?
2. What does it mean to you to receive the Bob Neal Golf Memorial Scholarship?

The essay must be typed and included with the complete application packet. Spelling and grammar DO matter.
